INSTRUCTIONS FOR COMPLETING REPORT

1. Sequential number (indicate sequential number of vaccine).

2. Administrative territorial unit (indicate administrative territorial unit, where a certain batch of vaccine was distributed).

3. Date of delivery (indicate date of delivery of vaccine in format of day/month/year).

4. Trade name of vaccine (indicate trade name of vaccine).

5. Batch (indicate batch of vaccine).

6. Manufacturer (indicate name of enterprise-manufacturer, country-manufacturer of vaccine).

7. Dose number (indicate dose number of particular vaccine, which was delivered to the specified administrative territorial unit).

8. Temperature regimen at transporting (indicate conditions of temperature regimen, registered with temperature monitoring device at vaccine transporting).
